Subject: Letter of Recommendation

Dear Dante,

It has been my pleasure to work with you for the past couple of years. In my role as owner and head coach I have been privileged to have a front row seat to witness not only your transformation but your drive and passion for helping others.

I am grateful to have had the opportunity to be there from your humble beginnings and as you found your passion and as that passion grew and all you wanted to do was share it with others. You are always hungry to learn more and better yourself and those you work with.

I know that wherever you go or whatever field you become a part of that you will be an asset to them. They will be able to have someone that is not only responsible but will be reliable.

I have no reservations recommending you for any vocation that you may pursue and knowing that your drive and integrity will be an asset to that firm.

Sincerely,

Jeremy J Evans
